

**Suggested Supply List**

Below is a list of items that will be used throughout the upcoming school year. We are publishing this list for those of you who would like to help supply materials for the classroom. If you are able to contribute any of these items, it will be greatly appreciated. We are not requiring families to supply all of the items listed for each child. If you have any questions, please call the principal.

All students will also need shoes to wear during gym class. Students who have an extra inexpensive pair are encouraged to leave them at school so they will remain clean for class.
