

## Annual Education Report

January 24, 2020

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2018-19 educational progress for Hemmeter Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact James Bailey for assistance.

The AER is available for you to review electronically by visiting the following web site <http://bit.ly/2S4A3lo>, or you may review a copy in the main office at your child's school.

For the 2018-19 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was not given one of these labels.

State law requires that we also report additional information.

## PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

School attendance boundaries are set by the Board of Education. All students meeting the academic testing requirements of this school are enrolled to attend. Students must demonstrate an IQ of 120+ on a national recognized and administered assessment. Out Of District students apply through Schools of Choice.
