

HPTC Meeting Minutes May 2020  
May 20, 2020  
Via Google Meet

In attendance: Jim Bailey, Sarah Burke, Jenny Boelter, Amy Woodruff, Jill Rummier, Rachel Chaltraw

Meeting called to order: 6:01

Jim mentioned possibility of offering Zoom for HPTC meetings going forward, even if in-person is available. Might have more participation.

Budget: Jenny gave us an overview: lots of cancellations means money isn't being spent. Spark will probably break even with T-shirts being ordered. Teacher scholastic orders have mostly been reimbursed. Jim will check with Jen M, Brandy, Jill, Kim, Krista regarding this. Surplus is at \$4,500 remaining from last year, as well as some to come from this year. Fun Fair may need to be postponed due to shortage of planning time and no real way to manage the in person event structure. Perhaps a silent online auction could be done for fundraising? Could we charge a membership fee like we used to for HPTC to fund? Comment made that we won't be able to take field trips immediately, so that's about \$10,000 of the budget eliminated.

Principal update: Jim reports that this week the teachers are in the building cleaning out desks and lockers. Family pick up for personal items will be next week. Return of school property will be between now and the end of the year (library books, tech items, etc) The committee thanks Jim and the whole staff for the great communication and also passes thanks on to Bruce Martin for excellent emails and posture during this time.

End of the year ideas were discussed. Drive through graduation? Meet the teacher? Decisions are still to come.

All officer positions were voted on to remain the same for next term.

No June meeting scheduled.

Meeting adjourned 6:49
