Principal's update: Jim Bailey

Math Night is tomorrow night here at our Hemmeter gym. Over 200 people are signed up to come! Assembly for Black History month is coming up "Black History Hall of Fame" presentation from a group out of Cleveland. (Feb 10) Gerald Decaire is coming in to present "Marvel and Math" using math to design comic books. (Mar 5) Testing is starting in the first 2 weeks of March. We have a new reading/writing curriculum. Nonfiction books are a focus. Teachers could use funds to purchase nonfiction books for their classroom libraries. Could we use money from the surplus to purchase? Voted unanimously to approve purchase.

President's report: Amy Woodruff
(Committees)

DI: Regionals are coming up February 29. February 27 will be the team presentations at the school.

Family Dance: We had a great turn out and raised \$2500! Thank you!

Spark Day: Jamie Barnes reports that the T-shirt design has been decided and will be military green this year. This year's shirt was designed by Logan Kittle.

Box Tops: Contest will be starting soon with collection by March 2.

Scrip: Jenny Boelter reports that it's going well.

Playground Initiative: We have had to delay this for now. We will discuss next year. The broken equipment HAS been fixed.

Vice President's report: Rachel Chaltraw

Rachel spoke with Jamie Stella and Missy Hoch about the Happy Little 5K. They are interested. Starting April 17, the school can host an event to offer participants a place to walk/run. We would just host this as a family fun walk, and people can opt to use their walk to go toward the 5K. Developing conversation, decide next month. Press possibilities: Math night and cultural cuisine night. Jim will send information about grants for field trips to teachers. These grants would pay for the buses for students to travel to trips.

New business

We are accepting nominations through the second week of March for all HPTC positions.

Meeting adjourned: 7:14 pm
