

## Hemmeter's Fourth Annual

# CANVAS ART FUNDRAISER

The students in each classroom at Hemmeter have been busy creating one-of-a-kind, collaborative canvas paintings! Every Hemmeter student contributed to their classroom art piece. The paintings are on display in each classroom and Hemmeter teachers will be sharing pictures of the paintings with their students' families on Seesaw. The canvases measure 16 by 20 inches. Each one is a unique and colorful masterpiece!

There will be a ticket sale and drawing to win the artwork. Tickets will be on sale during the school day now through Wednesday, May 19th. The tickets are \$1 each. To purchase tickets, please send in the order form below along with exact cash or check (made payable to HPTC). The students will be able to purchase tickets from their teachers and place their tickets in the baskets to win their classrooms' artwork during the school day.

The winning names will be drawn and announced on  
Thursday, May 20th.

The money raised from the ticket sales will be used to support Hemmeter's Creativity Room which will consist of a classroom full of hands-on supplies where students can imagine, create, discover, play, invent, design, innovate, inspire, and so much more.

Thank you for supporting our students' creativity and our school's fundraiser!
