## PLANNING ON YOUR CHILD ATTENDING STCS THIS FALL?

If you live in Saginaw Township, are not currently enrolled in one of our schools, and are planning to attend Saginaw Township Community Schools, NOW is the time to enroll!

By visiting the school office ahead of time, parents/guardians can pick up a registration packet and return it before the end of the school year. The first day of school will be Tuesday, September 3 and you can have your child enrolled and ready to go on that first day

To enroll in a new school requires many documents: birth certificate, immunization and health records, a registration form, emergency contact form, information about health insurance, family doctor, etc. Proofs of residency are also required: Driver's License, Bank statement, and utility bills are the most common documents.

It is important to do this ahead of time because schools have to process all the documents into the Student Management system before a student can be assigned to a classroom. Once enrollment is completed, students can then be assigned a teacher and can attend starting this fall!

## COMMUNITY EDUCATION K-5 AFTER SCHOOL ACTIVITIES CLUBS (ASAC)

Each STCS Elementary school has an ASAC that is open until 6 pm. There are two daily pickup rates: by 5 pm and by 6 pm. Each ASAC center is open on half-days of school, and all students may attend at Arrowwood Center on full-days of no school. All students must be pre-registered at least 2 days prior to the first attendance date. Forms are available online at [www.stcs.org](http://www.stcs.org)>Departments>Community Education>After School Activities Club. Each form can be printed out and completed and returned to the Community Education office. There is a \$25 registration fee for an individual student; \$30 for a family. Each center is licensed by the Department of Human Services, Childcare Licensing.

The Weekly Schedule and Payment form must be returned, with payment, at each of your individual child's center by 6 pm Thursday the week before attending. If online scheduling and payment is used, you will have until Sunday of that same week. There is a \$1.75 convenience fee to use online scheduling and payment.

**Rates:** Pickup by 5 pm - \$7.70 per day; Pickup by 6 pm - \$9.70 per day; Half Days - \$10.20 + Pickup time; Full Days - \$24.20 In you do not have an Access Badge, Access Badge are \$3 each (required for entry into the school).

The Saginaw Township Community Book Read in 2009 was “**Seedfolks**,” by Paul Fleishman. The book was about 13 different people who transformed a vacant lot into a “community” garden. And it just wasn’t about the plants. It was about people getting to know people, people who they lived near but didn’t know. By gardening, a community connection blossomed!

What transpired from the read, facilitated by Saginaw Township Community Schools’ Community School Organizers Colleen Carty, Cathi Kerns, Linda Perry, and Chris Tiderington, was nothing but awesome!

A partnership was formed with Saginaw Charter Township and through the effort of Bridget Smith, an area behind Center Courts became the **Common Grounds Community Gardens!**

Several Eagle Scout projects added to the garden: compost bins made and donated by Andrew Rangitsch from BSA Troop 312; raised handicapped beds by Mike Tighe; and the Common Ground sign project by Joey Galus. In 2011, the Rotary Club of Saginaw Valley funded the building of a small pavilion.

Stop by to see the various crops and flowers and visit with the gardeners!
