Upon receipt, the supervisor will sign and date the grievance. Within seven (7) working days of the receipt of the grievance, the supervisor will give a written answer to the union.

The notice must clearly indicate the specific nature of the dispute to be arbitrated, including which grievance is to be arbitrated and affected grievant(s). During the ten (10) working days following receipt of such notice, the parties will try to mutually agree to an arbitrator. If they are unable to agree during that time, within the next ten (10) working days, the party submitting the grievance will submit a Demand for Arbitration to the American Arbitration Association. The arbitrator shall be chosen in accordance with the rules of the American Arbitration Association.

The Agreement constitutes a contract between the parties, which shall be interpreted and applied by the parties and by the Arbitrator in the same manner as other collective bargaining agreements. The function and purpose of the Arbitrator is to determine disputed interpretations of specific provisions in the Agreement, or to determine disputed facts upon which the application of the Agreement depends. The Arbitrator shall, therefore, not have authority, nor shall it consider its function to include, the decision of any issue not submitted or to so interpret or apply the Agreement as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction. The Arbitrator shall not give a decision which in practical or actual effect modifies, revises, detracts from, or adds to, any of the terms or provisions of this Agreement. Past practice of the parties in interpreting or applying terms of the Agreement can be relevant evidence, but may not be used so as to justify, or result in, what is in effect a modification (whether by addition or detraction) of clear and unambiguous written terms of this Agreement. The decision of the arbitrator made in accordance with the provisions of this agreement shall be final and binding upon all parties, including the employer, the union and all employees.

5. Unless expressly agreed to by the parties, in writing, the Arbitrators are limited to hearing one issue or grievance upon its merits at any one hearing. Separate Arbitrators shall be selected for each grievance appealed to binding arbitration.
6. The fees and expenses of the third party impartial arbitrator, cost of transcript (if one is requested by the Arbitrator), and cost of hearing room, shall be borne by the loser as evidenced by the decision of the Arbitrator. Should the Arbitration

WAIVER CLAUSE

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Union and the Employer, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to, or covered by this Agreement, or with respect to any subject or matter not specifically referred to or covered by this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement. Any part of this contract may be reopened with written mutual consent of the Union and the Employer.

ARTICLE 27
EFFECT OF LEGISLATION

- A.** If any law or existing or hereafter enacted, or any proclamation, regulation, or edict of any State or National Agency shall invalidate any portion of this Agreement, the entire Agreement shall not be invalidated, and either party hereto upon notice to the other may reopen for negotiating the invalidated portion.
- B.** Should the district be obligated by law to contribute to a governmentally sponsored insurance program, national or otherwise, which duplicates the benefits provided by the district under insurance policies currently in effect as a result of this Agreement, it is the intent of the parties that this Agreement shall automatically reopen for purposes of renegotiating provisions herein to avoid duplication.

ARTICLE 28
IN-SERVICE AND TRAINING

The district will schedule in-service trainings at least twice a year for the purpose of professional development for all employees covered in this agreement.

The first priority of Discipline/Security Officers is to provide a safe and secure environment at their sites. It is also understood that Discipline/Security Officers assist in maintaining site cleanliness to the extent feasible. To reinforce this understanding, SEIU employees will be so notified at or near the beginning of the school year. At or near the beginning of the 2012-2013 school year, and thereafter as needed, a meeting will be held among security and building custodial/maintenance staff with appropriate administrators for the building and the custodial/maintenance department to review procedures and processes, including distribution of appropriate cleaning supplies (e.g., wall and window sprays, up-chuck kits, garbage bags and salt).

ARTICLE 29
TERMS OF AGREEMENT

This Agreement shall be effective as of November 24, 2014 and shall remain in full force and effect, without change, additions or amendments to June 30, 2016, with the exception of amending the contract for the sole purpose of negotiating wages and insurance for the period for July 1, 2015 to June 30, 2016 of this agreement. This Agreement shall be renewed from year to year thereafter, provided that either party hereto may reopen the Agreement for changes or amendments or may terminate the Agreement by serving written notice on the other party of its desire to change, amend or terminate at least 120 days prior to June 30, 2016.

Concerning Bernard Groll

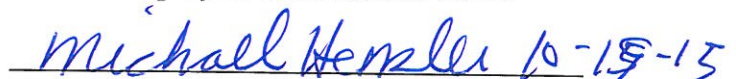

Over the years, the parties' collective bargaining agreement has seen many revisions, often "grandfathering" current employees from changes. This is the case regarding Bernard Groll's current work week assignment that includes Saturday. So as not to lose sight of the conditions, the parties hereby agree as follows:

1. While school is in session, and as long as Bernard Groll continues on a regularly scheduled 3rd shift, that includes a work day that begins on Friday and ends on Saturday, Bernard will be paid time and one-half (1 ½) his regular wage for the hours physically worked on Saturday.
2. As long as Bernard continues to receive this Saturday premium, he will not be entitled to any shift premium.
3. The practice will end if Bernard requests and is assigned to another assignment.

In settlement of the successor to the collective bargaining agreement expiring June 30, 2016, between SEIU Local 517M and Saginaw Township Community Schools, the parties hereby agree that:

1. The terms and conditions set forth in the collective bargaining agreement will remain unchanged through June 30, 2017 as though the contract had not expired on June 30, 2016. The contract will now expire June 30, 2017.
2. The continued terms and conditions includes, but are not limited to:
 - a. Continuing the wages paid will remain reduced by one percent (1.0%) for those for Custodial/Maintenance Employees listed in Addendum A of collective bargaining agreement as stated in Item 1a in Section A, Wage Scale of Article 17, Salary Provisions.
 - b. Continuing limiting employees to one break as provided by the first paragraph of Section A, Breaks and Lunch Periods in Article 8, Working Conditions that provides:

Employees scheduled to work at least seven and a half (7½) hours per day will receive one (1) thirty (30) minute unpaid lunch in addition to their break. Break times will be given without loss of pay. Breaks and lunch times may be scheduled by management.

The second paragraph of Section A, Breaks and Lunch Periods in Article 8, Working Conditions that refers to *ratification of a successor to this agreement* means the successor to this contract expiring June 30, 2017. It does not refer to a ratification of a wage re-opener pursuant to Paragraph 4 of this agreement.

The parties acknowledge that the health care costs for this bargaining unit less the employees' contribution exceed the Employer's limit. The parties' collective bargaining agreement provides for review of possible solutions (Article 16 B 4). It is agreed without precedent and only for the 2016-2017 school year that if the district meets the hard cap requirement in the aggregate, this bargaining unit will not be required to contribute more for health care costs.

BOARD REPORT
October 23, 2017

**SUBJECT: RATIFICATION OF SUCCESOR AGREEMENT WITH SERVICE
EMPLOYEES INTERNATIONAL UNION, LOCAL 517M-
CUSTODIAL AND SECURITY UNIT**

CURRENT STATUS: The Board of Education and the Service Employees International Union, Local 517M (SEIU; representing custodial, maintenance and security employees) had a collective bargaining agreement that expired June 30, 2017. A tentative agreement that the Board ratified in June was rejected by the employees. The parties resumed negotiations and have arrived a tentative agreement that the employees have ratified.

RECOMMENDATION: I move that the Board of Education ratify the attached tentative agreement for a collective bargaining agreement through June 30, 2019, with the Service Employees International Union, Local 517M representing custodial, maintenance and security employees.

STATEMENT OF PURPOSE: Public law provides the opportunity for negotiations with school employees since 1965. This represents a fair and equitable resolution in light of the district's financial condition.

BUDGET IMPACT: In that this extends the current costs the budget impact for this is limited. The current agreement had already taken into account the district's fiscal situation.

DISCUSSION OF OPTIONS: The Board of Education may reject the recommended settlement and direct the administration to go back to the bargaining table. If this action was followed, we may be accused of an unfair labor practice.

RATIONALE FOR RECOMMENDATION: The laws in the State of Michigan provide the negotiated master contract as a vehicle for establishing wages, hours and working conditions.

If the grievance is not resolved at Step 2, within ten (10) working days of when the Step 2 answer was due, the grievance may be submitted to binding arbitration at the election of either party by written notice of the intent to arbitrate to the other party. The notice must clearly indicate the specific nature of the dispute to be arbitrated, including which grievance is to be arbitrated and affected grievant(s). During the ten (10) working days following receipt of such notice, the parties will try to mutually agree to an arbitrator. If they are unable to agree during that time, within the next ten (10) working days, the party submitting the grievance will submit a **request to the Federal Mediation and Conciliation Service (FMCS) for a random panel.** ~~Demand for Arbitration to the American Arbitration Association. The arbitrator shall be chosen in accordance with the rules of the American Arbitration Association.~~ **The parties will mutually agree to an arbitrator from those listed.**

The Agreement constitutes a contract between the parties, which shall be interpreted and applied by the parties and by the Arbitrator in the same manner as other collective bargaining agreements. The function and purpose of the Arbitrator is to determine disputed interpretations of specific provisions in the Agreement, or to determine disputed facts upon which the application of the Agreement depends. The Arbitrator shall, therefore, not have authority, nor shall

it consider its function to include, the decision of any issue not submitted or to so interpret or apply the Agreement as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction. The Arbitrator shall not give a decision which in practical or actual effect modifies, revises, detracts from, or adds to, any of the terms or provisions of this Agreement. Past practice of the parties in interpreting or applying terms of the Agreement can be relevant evidence, but may not be used so as to justify, or result in, what is in effect a modification (whether by addition or detracting) of clear and unambiguous written terms of this Agreement. The decision of the arbitrator made in accordance with the provisions of this agreement shall be final and binding upon all parties, including the employer, the union and all employees.

Unless otherwise agreed by the parties, the arbitrator will hear and decide issues of arbitrability prior to hearing the merits of the grievance. If the arbitrator finds the grievance arbitral, the arbitrator will then hear and decide the merits of the grievance.

5. Unless expressly agreed to by the parties, in writing, the Arbitrators are limited to hearing one issue or grievance upon its merits at any one hearing. Separate Arbitrators shall be selected for each grievance appealed to binding arbitration.
6. The fees and expenses of the third party impartial arbitrator, cost of transcript (if one is requested by the Arbitrator), and cost of hearing room, shall be borne by the loser as evidenced by the decision of the Arbitrator. Should the Arbitration result in a compromise decision the Arbitrator shall make as part of its decision a ruling as to how the above expenses shall be prorated.
7. The term "days" when used in this Article shall mean workdays, or during the summer months, days when the Administration office of the Board is open for business.
8. Any claim or grievance arising before the expiration of this Agreement shall be processed through the grievance procedure until resolution even though the Agreement may have expired while the grievance is in progress.

10. The number of days indicated at each level should be considered as maximum. The time limits may be extended or reduced by written mutual consent.

11. Any grievance not appealed at any Step of this procedure within the timelines shall be considered settled as answered in the previous step. If no answer was given, the grievance shall be considered denied.

BOARD REPORT
November 26, 2018

**SUBJECT: RATIFICATION OF WAGE RE-OPENER WITH SERVICE
EMPLOYEES INTERNATIONAL UNION, LOCAL 517M-
CUSTODIAL AND SECURITY UNIT**

CURRENT STATUS: The Board of Education and the Service Employees International Union, Local 517M (SEIU; representing custodial, maintenance and security employees) have a collective bargaining agreement through June 30, 2019 that has a wage-reopener for 2018-2019. Discussions with the union have resulted in a tentative agreement concerning the re-opener. The union has already ratified the tentative agreement.

RECOMMENDATION: I move that the Board of Education ratify the attached tentative agreement with the Service Employees International Union, Local 517M representing custodial, maintenance and security employees

STATEMENT OF PURPOSE: Public law provides the opportunity for negotiations with school employees since 1965. This represents a fair and equitable resolution in light of the district's financial condition.

BUDGET IMPACT: The current agreement had already taken into account the district's fiscal situation. This tentative agreement continues that as well; it will have limited budget impact.

DISCUSSION OF OPTIONS: The Board of Education may reject the recommended settlement and direct the administration to go back to the bargaining table. If this action was followed, we may be accused of an unfair labor practice.

RATIONALE FOR RECOMMENDATION: The laws in the State of Michigan provide the negotiated master contract as a vehicle for establishing wages, hours and working conditions.

Letter of Understanding

Implementation of the Michigan Paid Medical Leave Act

Michigan's Paid Medical Leave Act, 2018 PA 369 provides employees paid time off work chargeable to their personal leave (e.g., sick, personal, PTO) in a variety of situations. As other time off, leave will be charged as a multiple of a quarter of a day ($\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$ or 1.0). Leave is subject to proper notification to/approval by the supervisor and substantiation when requested. Substantiation includes the Employer's right, at its discretion, to verify the report of the attending physician concerning the illness or disability, and medical examination at the Employer's expense by a physician selected by the Employer. School Year Custodians will be charged PTO for such time off. Other employees will be charged sick leave. If sick leave is not available, time off will be charged to personal time and then available vacation, before the employee will be without pay.

The act allows the employee time off due to physical or mental illness, injury, health condition, preventative care, diagnosis, treatment, or accident of the employee. The act allows paid leave in certain circumstances when time off is needed for a family member. A family member of an employee includes biological, adopted, foster and, step children, legal wards, and children to whom the employee stands in loco parentis. The term "parents" includes biological, foster, step, adoptive parents, legal guardians of the employee or the employee's spouse, or an individual who stood in loco parentis when the employee was a minor child. The term "sibling" includes a biological, foster, or adopted sibling. An employee may take time off due to physical or mental illness, health condition, preventative care or disabling accident of the employee's family member.

Employees may also have paid time off in these circumstances:

- a. when the district is closed for work by order of a public health official due to a public health emergency;
- b. the employee needs to care for his child whose school or place of care has been closed by order of a public health official due to a public health emergency;
- c. exposure of the employee or family member to a communicable disease that would jeopardize the health of others as determined by public health authorities or a health care provider; and
- d. in domestic violence and sexual assault situations leave the employee needs for medical care, psychological or other counseling; receiving associated services from a victim services organization; associated relocation; obtaining associated legal services; participation in associated civil or criminal proceedings.

Grievances concerning this letter of understanding are not subject to arbitration unless both parties agree.
