Total Exams	372
Total Students	179
Subjects Tested	16
Percent scoring 4 or higher	29%
Percent scoring 3 or higher	58%

Grades, Grading System & GPA

The normal GPA is based on a standard 4.0 scale. A special “weighted” grading system is used in the AP courses. Grades given in these classes are assigned a point value one-half (.5) grade higher than regular classes at the end of each semester.

The **Heritage Music Boosters** provide dedication and fund raising efforts that are key to both the Symphonic and Jazz Bands and the Orchestra.

The **Heritage Athletic Association** provides year-round support and helps make our exceptional athletic program next to none.

Parent/Teacher Conferences are held both in the fall and spring of each year. Curriculum night is held in the fall of the school year.
